League holds barbecue

BELLE GLADE - The Tri-City League consisting of South Bay, Pahokee and Belle Glade hosted the Palm Beach County Municipal League at the 12th Politicians' Barbecue Friday, December 18.

About 250 representatives from Palm Beach governments, including municipalities and agencies, converged upon the Belle Glade Marina to take part in the delicacies of fried Okeechobee catfish, barbecued ribs, corn on the cob and drinks.

United States Representative Dan Mica sent a representative from Washington D.C.

A country-rock band, Southern Knights, donated their time to perform for the crowd.

The Tri-Cities League hosts the cook-out every year in an effort to create goodwill for the Glades among the coastal based powers.

Temperature plunges

By Jeff Brown

BELLE GLADE - For the second consecutive weekend, temperatures in the Glades plunged to sub-freezing levels, leaving many area vegetable and sugar cane growers wary of things to come.

Most crops apparently suffered incidental damage, according to many local farmers. Charles Wilson, assistant general manager of South Bay Growers, reported that although the leafy crops, such as lettuce and celery, incurred heavy icing, a speedy thaw out probably helped prevent much damage.

Most of the vegetables weathered the weather with little damage with a few exceptions.

"We incurred a loss something to the effect of 30 acres of peppers," said Wilson.

Vinegar Bend Farms Farm Manager Pat Murphy said the company's lettuce was not hit too badly, but the sugar cane did suffer some damage.

"I'm sure there was some terminal bud damage on the cane," said Murphy. "I'm not sure about the lettuce, but the lettuce growers said they've come through in good shape. At this point in time, we hope it stays cool. Hot weather would cause the damaged buds (on the cane stalks) to transfer down the stalk. That would damage the rest of the stalk" he said.

Vinegar Bend is attempting to harvest the damaged buds now before they move down the stalks, he said. The damaged buds are still salvageable, it is the harm they can inflict to the rest of the plant that concerns the growers.

Seed cane may have been damaged beyond the point of salvation, he said.

Charles Schiele of the Florida Sugar Cane Growers Co-operative said most of the member growers experienced no damage at all.

Most of the growers expressed concern that temperatures fell to sub-freezing levels so early in the season.

"Well, it fell to 25 or 28 degrees one night," said Wilson. "And yesterday (Monday, Dec. 21) was the first day of winter, am I right? That bothers us some."

"We are always concerned about the weather," said Schiele. "But freezes are part of this area. We are more concerned about the water."

2nd inmate surrenders

BELLE GLADE - A second inmate who escaped from the Palm Beach County Jail last week surrendered to authorities Friday, Dec. 18, after his family talked him into giving himself up.

Harold B. Green, 18, was driven to the jail by his grandmother, who

drove to Miami to pick him up at his mother's home earlier Friday, said Detective Cliff Simmons.

Green was being held in the county jail on burglary charges.

Andre Pierre Gedues, 54, of Osceola Center was charged Friday

with aiding in the escape of the four prisoners by driving them to West Palm Beach after the escape.

Gedues was released on a \$1,000 bond.

Bobby Keller, 24, also of Belle Glade, turned himself in Wednesday,

Dec. 16. Still at large are Leon Livingston Brown, 47, of Hollywood and James Bryon Williams, 22, of Belle Glade.

The four men, escaped from the jail by removing two bars out of a second-story window.

Grand shopping winner chosen

PAHOKEE - Fifteen year old LaTrell Banks is the grand winner in the Pahokee Chamber of Commerce Second Annual Shop At Home Contest.

Miss Banks, a sophomore at Pahokee High School, was selected the grand winner from a field of approximately 500 entries, said Diane Hall, vice-president of the Chamber of Commerce.

Miss Banks received \$100 for being the final winner in the contest. She was presented the check Monday at Foodway of Pahokee. Miss Banks registered for the drawing at the local grocery store.

Miss Banks said she was "surprised" and could not believe Diane Hall, when she called and said she (Miss Banks) had won.

LaTrell, the president of the sophomore class at Pahokee High School is the daughter of Rev. and Mrs. Samuel Banks.

Miss Banks joins three other winners in the Chamber Shop At Home Contest. Mrs. Jaunita Hanks won the first week and received \$25. Mrs. Barbara Freeman, a cafeteria

Drug suspects rounded up in sting

A six-month undercover drug investigation in Hendry County culminated during the early morning hours of Monday, Dec. 21, with what is believed the largest drug bust in Florida history according to Sheriff Bob Durkin.

The undercover sting, dubbed "Operation Hayride," began in July and was aimed at alleged street pushers. The investigation started with the help of two undercover agents from another law enforcement agency.

"This whole department and outside agencies worked through the night. It went smooth "no one tried to resist arrest," Durkin said of the operation.

By Tuesday afternoon, 57 people had been nabbed in the sting, including four juveniles and three people who were apprehended after the sweep began. Of the 62 people the sheriff had warrants for, seven, including three from Clewiston and four from LaBelle, had not been

apprehended by Tuesday afternoon, according to spokesman from the HCSO.

Of those arrested, 23 were from LaBelle, while 34 were from Clewiston.

Charges against the suspects range from sale of marijuana, methaqualone and cocaine, with marijuana the predominate illegal substance.

"Operation Hayride" began with an 11 p.m. briefing of lawmen Sunday, Dec. 20, and by midnight, deputies started the pick-ups, Durkin said.

"None of the deputies knew the undercover agent was in town, and few people knew the arrests were coming off," the sheriff said.

In fact, besides Durkin, only two other sheriff's department employees knew of the investigation. Lt. Hugh Smith of the HOSD, was the contact man in Clewiston, while Lt. Bobby Kelley, chief of the Criminal Investigation Division, were aware of the operation.

Smith would fly evidence up to the Tampa Crime Lab, while Kelley was responsible for much of the legwork, the sheriff said.

Two of the people, Clewiston residents Cy Owens and Sandra Murrish, were arrested after deputies discovered marijuana on a houseboat docked in the Clewiston Rim Canal near a two-story houseboat where deputies were making arrests. Murrish and Owens were charged with a misdemeanor, possession of a controlled substance.

Both boats, and nine vehicles were confiscated during the sweep.

Another man, Tim Barber of Clewiston, was charged with a misdemeanor when lawmen found him at the house of a person who had a warrant out on him.

Ball for the suspects ranged from \$2,500 to \$50,000. While four juveniles were arrested,

some suspected are in their 60s.

Although the operation was widespread, it was financed with funds derived from confiscated drug equipment and airplanes, Durkin said. Body bugs and night vision equipment were purchased from the confiscated equipment, and money to purchase the \$5,000-\$6,000 worth of drugs and to pay for the undercover agents also came from that source.

"Without the equipment, we couldn't make the cases," Durkin said.

"It was easier than buying shoes. It was very simple," said one of the investigators.

Each week, the purchased drugs were sent to the Tampa Crime Lab for analysis. An average of \$50 worth of controlled substances were allegedly purchased from each suspect, the undercover agent said.

27 to die on road

TALLAHASSEE — It is predicted by the Florida Highway Patrol that 27 people will die in traffic crashes during the New Year's holiday period unless drivers change their way of operating their motor vehicles.

The official 78-hour holiday period begins at 6:00 p.m. Thursday, December 31, 1981 and ends at midnight, Sunday, January 3, 1982.

Colonel Eldridge Beach, director of the Patrol, said, "During the 78-hours of the 1980 New Year's holiday period, 31 people died in traffic crashes."

"Careless driving led in contributing causes with six, and drinking was second with five. Fifteen drivers and twelve pedestrians died in the 1980 period. All drivers had seat belts but none were wearing them."

"Why not make the most important New Year's resolution of them all to be alive next New Year's Day by improving your knowledge of road rules and practicing them every day of the coming year," concluded Colonel Beach.

A marijuana farm was also allegedly discovered during the operation.

Both agents had been living and working in Hendry County since July, and had collected information pertaining to alleged street pushers, Durkin added.

The two agents used by the local department have lost two cases out of 1,000 they have worked, the agents said.

"This (Operation Hayride) will slow it down (drug dealing), but you can still go out there and buy it—but not to the extent you once could," the undercover agent said.

The local sheriff's office collected a large amount of intelligence from the operation, but what Durkin described as "invaluable information" was also obtained.

All suspects were Hendry County residents, Durkin said.

Assisting Hendry County deputies in the roundup were agents of the State Attorney's office, the Florida Highway Patrol, the Game and Fresh Water Fish Commission and the Clewiston Police Department.

Southern Bell expects busy Christmas

"Ring out, wild bells, to the wild sky,"

Alfred Tompkins

And ring out will this Friday. Southern Bell anticipates a record number of long distance phone calls this Christmas.

Southern Bell, in anticipation of a record breaking volume, is urging its customers to place their calls to far away friends and relatives on Christmas Eve, according to Bob White, the company's local manager.

According to White, there will be a 35 per cent discount on long distance calls placed between 5 and 11 p.m. Thursday, Dec. 24.

Calls placed between 11 p.m. and 8 a.m. will be reduced by 60 per cent.

Calls placed on Christmas between 8 a.m. and 11 p.m. will be reduced by 35 per cent. The 60 per cent discount will go into effect again at 11 p.m. December 25, and will stay in effect until 5 p.m. Sunday, December 27, according to White.

White also offered several other calling tips for the holidays:

If possible, place your call on Christmas Eve. You will even "pay as you go" on the "rush" or call. You also have a better chance of getting through.

"We expect this year's long distance Christmas calling volume to break all previous records," said White. "Our Florida circuits will be loaded with Christmas greetings being exchanged between our

customers and people all over the world."

The best calling periods on Christmas day will be 8 to 10 a.m. and 10 to 11 p.m.

The busiest hours will be noon to 2 p.m. and 7 to 9 p.m.

"While most calls will get through without difficulty, there may be times on Christmas Eve, morning and night when some calls will be delayed because of busy circuits," said White.

The real challenge for Southern Bell in handling the Christmas calling surge is coping with the different calling pattern. The average holiday call lasts twice as long as the average business day call and goes to more rural and suburban areas rather than to urban centers."

Dial direct whenever possible to save time and money. Domestic direct-dial rates, no matter what time of day, are lower than operator-assisted calls.

Have telephone numbers for both domestic and international calls available ahead of time. If it is necessary to call directory assistance, do so before the holiday.

Determine if your telephone is equipped for international direct distance dialing. Many customers can now dial their own international calls to 80 foreign countries.

White estimated that Floridians will make over 1.7 million calls, a 12.6 per cent increase over the 1980 Christmas season. South Florida residents are expected to make nearly 435,000 of that total.

Cloud seeding project helped

The cloud seeding project undertaken by the South Florida Water Management District this August and September contributed an estimated 41,000 acre-feet of water to Lake Okechobee, enough to supply a city of 200,000 people with water for a full year.

Cloud Seeding Program Manager Stanley Winn presented these findings to the District Governing Board Thursday at its workshop session.

The results were compiled by comparing the dates and times of the cloud seeding missions with data including radar pictures of cloud development and precipitation records for those same dates and times. Winn estimates that 254,000 acre-feet, or 8.7 percent of the total rainfall in the project area during August and September can be attributed to cloud seeding. An acre-foot of water is the amount of water required to cover one acre to a depth

of one foot, or about 325,000 gallons of water.

The cloud seeding program was conducted on 39 days during the two-month period over a 2.5 million acre area immediately north of Lake Okechobee. Although much of the 2.9 million acre-feet of precipitation that fell in the project area in August and September was absorbed into the ground, about 41,000 acre-feet eventually flowed south to Lake Okechobee.

Winn said, however, that the promising results of the cloud seeding project should not lead to the conclusion that cloud seeding is a panacea for the current or future droughts. Rather, he said, it is "only one of a number of water management tools that should be made available for drought alleviation."

The Governing Board will receive a more detailed report on cloud seeding at its February meeting.

Restricted operation set for locks

JACKSONVILLE — The W. P. Franklin Lock at Fort Myers will be placed on restricted operation from Dec. 21 until further notice, Col. Alfred B. Devereaux Jr., Jacksonville District Engineer, U. S. Army Corps of Engineers, announced Dec. 17. Lockages will be made every four hours each day, at 6 and 10 a.m.

and at 2, 6 and 10 p.m. Increased salinity in public potable water supplies caused by low water levels is the reason cited by the engineers for the restricted lock schedule. Lake Okechobee's water stage was 11.13 feet Dec. 17. Based on this stage, controlling depth in the St. Lucie Canal east of the Port

Mayaca railroad bridge is five feet, and controlling depth in Route 1 between Day Marker 5 and Day Marker 2 is 5.1 feet. Near Beacon 4 in the Rim Canal the controlling depth is five feet.

Ortona, Moore Haven and Port Myaca Locks will open on demand from 6 a.m. to 10 p.m. daily, and St. Lucie Lock will continue to operate on the four-hour schedule that has been in effect since Sept. 8, Devereaux said.

Information concerning daily lake stages is available from the Clewiston Area Office, (813)983-8101; Port Mayaca Lock at Indiantown, (805)597-2339; Moore Haven Lock at Moore Haven, (813)946-0414; and Ortona Lock, (813)675-0616.

South Bay Honda has new ownership

SOUTH BAY - The Glade's Honda Center, located on route 27 in South Bay since 1979, has changed ownership.

Larry M. McMillan took over the store November 1.

McMillan worked for the corporation he bought the store from for 16 years. For the past year and a half, he

had managed the South Bay Center.

"I just got tired of working for somebody," said McMillan. "After 16 years, I figured this was the way to do it."

The shop carries a complete line of Honda products including motorcycles, all terrain cycles, generators, and outboard motors.

The three wheel, all

terrain cycles seem to be the best seller, according to McMillan.

He said he thinks the many uses ATC's can be put to, including as transportation on farms, explains their popularity.

Outboard motors, perhaps surprisingly, don't sell too well in the Lake Okeechobee area. Most of the people interested in

boating here look for bigger boats and motors, and Honda only handles seven and a half to 10 horsepower motors.

Near the end of the sugar milling season, he expects the electric generators to move more quickly. The foreign cane workers will purchase small electric generators to take home and operate

small televisions or appliances, according to McMillan.

Sitting in the middle of the center is a racing cycle. McMillan said his brother, Wayne, drives it and came in tenth overall in the nation last year in drag racing.

Wayne works in the shop with his brother. There is one other employee.

Are the smaller bikes, such as the 70 cc Passport, popular? According to McMillan, those bikes don't sell too well in the Glades. They are popular in congested areas, in the Glades, towns are scattered and separated by long stretches of high speed freeways.

McMillan estimates that about 25 per cent of those who buy smaller cycles trade for a bigger one.

The center is open 9 a.m. to 6 p.m. Tuesday through Friday and 9 a.m. to 5 p.m. on Saturday.

Yes Virginia, there is a Santa Claus

The following editorial, which appeared in the New York Sun in 1897 in response to a letter from Virginia O'Hanlon, then eight years old. She wrote the editor to the Sun: "Dear Editor. Some of my little friends say there is no Santa Claus. Papa says, 'If you see it in the Sun it's so.' Please tell me the truth. Is there a Santa Claus?"

Perhaps you would like to read this beautiful story to your youngster on this Christmas eve.

Virginia, your little friends are wrong. They have been affected by the skepticism of a skeptical age. They do not believe except what they see. They think that nothing can be which is not comprehensible by their little minds.

All minds, Virginia, whether they be men's or children's, are little. In this great universe of ours man is a mere insect, an ant, in his intellect, as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole truth, and knowledge.

Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! How dreary would be the world if there were no Virgins. There would be no child-like faith then, no poetry, no romance to make tolerable this existence. We would have no enjoyment, except in sense and sight. The eternal light with which childhood fills the world would be extinguished.

Not believe in Santa Claus? You might as well not believe in fairies! You might get your Papa to hire men to watch in all the chimneys on Christmas eve to catch Santa Claus but, even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign there is no Santa Claus.

The most real things in the world are those that neither children nor men can see. Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they were not there. Nobody can conceive or imagine all the wonders that are unseen and unseeable in the world.

You tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, no even the united strength of all the strongest men that ever lived, could tear apart.

Only faith, fancy, poetry, love, romance, can push aside that curtain and view and picture the unseen beautiful beyond. Yes, Virginia, it is all real! Ah, Virginia, in all this world there is nothing else more real and abiding.

No Santa Claus! Thank God he lives, and he lives forever. A thousand years from now, he will continue to make glad the heart of childhood.

SGT. ARTHUR L. THOMPSON, a seven year veteran of the Belle Glade Police Department, resigned effective October 6. Larry Thompson who started with the Police Department February 4, 1974, resigned to enter the private sector and is currently operating Larry's Lock and Key Shop. On Dec. 17, Thompson was presented a plaque by D. Bill Mathis, Chief of Police for seven years of dedicated service.

Christmas meaning

On Christmas we celebrate the birth of Jesus Christ. We are not sure He was born on Dec. 25, but that is not the important thing, the important thing is that we as people believe in Christ and God and celebrate as a means of believing in them and their love.

Jesus came unto the world at God's appointed time. During his short sojourn on earth Jesus fulfilled God's appointment.

He did not travel throughout the then-known world. He only crossed the boundary of the country in which He lived once. He neither had wealth nor influence.

He had little training or education. His relatives were inconspicuous and unimportant. Nothing in His background would indicate that He was to be the greatest leader the world was to know.

When He was a baby He startled a king. As a child He puzzled the doctors. As a man He commanded the very course of nature. In His way through life He healed multitudes without medicine and never charged for His service.

No leader the world has ever known has more volunteers. He did this without drafting a single person.

His force affected the world of commerce as no other has ever done. Even today many of the wheels of business stop in His honor every seventh day.

Time has spread almost 2,000 years between

the people who watched his crucifixion and our generation, but He still lives.

Herod could not kill Him. Satan could not defeat Him. Death could not destroy Him. The grave could not hold Him.

Even today, in a time of growing Godlessness, for millions and millions He stands forth upon the highest pinnacle of heavenly glory, proclaimed of God acknowledged by angels, adorned by saints, feared by the devil, as the living personal Christ, our Lord and Savior.

When Jesus preached and healed He kept the finest traditions of courtesy, hospitality, honor and dignity. He spoke with compassion, not with defiance.

During his life on earth He paid taxes. He kept the Mosaic law even though He was soon to give the law a different meaning than before His time.

Jesus revealed salvation by preaching that man is not made holy by faith alone or by good works but through the grace of God. This grace of God can only be discouraged through faith and demonstrated by good works.

Jesus served God quietly and with dignity and so did His followers. To be effective the true followers of Christ today must do the same.

Jesus first concern was not for length of hair, the kind of clothes, the life style but for the spiritual salvation of the soul.

This is the religious leader we honor on Christmas. Let us follow Him in love.

BOILER PLATE

Great gridders

It's over. The football season in the Glades is finished.

In Clewiston, the Tigers finally got to play in a state championship football game — one held at Cane Field.

For one night, the entire community came together in the pursuit of a common goal.

On the field were the players, oblivious to anything beyond the hotly contested 100 yards of chalked real estate, intent only on putting their athletic ability on the line.

Coaches paced the sidelines, watching the clock, yelling encouragement, trying to find a way to defeat the powerful opponent from Walmun County.

In the stands were thousands of Clewiston fans, more than had ever watched Clewiston at a single contest before, cheering themselves hoarse.

Many of the fervent supporters had done more than cheer. Some had manned concession stands, arranged transportation and meals for the team, marked and watered the field — even landscaped the end zone.

Others had shown their long-range support for the program by coaching Pop Warner football for years with little recognition. Their reward was in seeing little pee wee players like Danny Miller and John Benson grow up and go on to play major college football. Some of those little boys, now grown men, were home Friday, watching the 1981 Tigers trying to win the big one.

When they all gathered at Cane Field Friday night, they wanted badly to see just one more victory. Some had come with blue and gold painted faces and almost all wore blue and gold, the school's colors.

But victory 13 was not to be, at least for this year. On Friday, Dec. 18, Crawfordville-Wakulla was the better team. Play the game some other time and the score might have been the other way around. Everyone agreed that Wakulla was not 24 points better than Clewiston. Those things just happen.

Nothing can take away the loss, but there is little reason for Clewiston fans, coaches or players to feel remorse.

It was a great season for Clewiston, the greatest ever. It was 14 weeks of sometimes astonishing, game-breaking plays which found opponents looking at the short end of the score 12 times.

It was a year when Coach Al Morrell turned in perhaps the greatest coaching performance of his career. His young players were only supposed to win five or six games. That only goes to show how expert those pre-season prognosticators are.

Morrell said that his 1981 team had the best competitive instinct of any of the Clewiston teams he had coached.

Competitiveness is something that many Glades athletes seem born with.

Take Clewiston and Pahokee for instance. Clewiston beat Pahokee by one point during the season (in overtime). Morrell later said that Pahokee and Wakulla were the two best teams that his Tigers played this year.

You have to be competitive when you have that kind of talent in your own backyard.

Christmas came early for Clewiston this year. It was a wonderful season and one to be savored for year's to come. There is no real reason to look ahead, but the tendency already is to say, "Wait till next year."

Letters to the editor

Editor: During the past year people of this community have been privileged to play the game some other time and the score might have been the other way around. Everyone agreed that Wakulla was not 24 points better than Clewiston. Those things just happen.

R.C. CUMPTON, President of the Belle Glade Lions Club.

Gators place second

By JEFF BROWN
BELLE GLADE - Gator Coach Richard Schmidt called it a "debacle."

In the beginning, it had all the makings of a good, close game. Glades Day was ahead 15-12 at the end of the first period and opened that up to a seven point lead at one point in the second period.

Then Moore Haven started coming back. The Terriers closed the gap and led 32-30 at the end of the half.

It could have gone on that way until the end of the game, the lead see-sawing back and forth until time, or the lack of it, decided the winner.

But something happened between the buzzer that ended the first half and the tip-off that opened the second.

They stopped making baskets. They had plenty of opportunities, but they just couldn't sink the ball regularly enough to keep pace.

"There were good shots," said Schmidt. "Nothing forced or anything like that. Just a case where they just wouldn't go in. We just went cold and you don't win when you do that."

The Gators shot seven for 34 in the second half, going 20 for 71 in the game.

At the end of the half, it was 42-55 in favor of the Terriers. The Gators had managed to put only 12 points to their score since half time. They would put nine more on in the fourth, while Moore Haven would tack on an additional 19 and go home with the Glades Day Christmas Trophy.

Raul Garcia led the team with 16 points, followed by Andy Fontaine and Jorge Rodriguez with nine a piece. Fontaine also led the team in rebounds with nine and Rodriguez picked up seven.

David Lakatos scored eight points, Scott Meredith scored seven and Oscar Toledo scored two.

The Gators were short one very important player, according to Schmidt. Richard Schiele was out with a sprained ankle. Last year, he averaged over 12 points per game and over 11 rebounds per game.

On the Moore Haven side of the fence, four players went into double figures. Billie Gadsen, Glen Hyatt and Krennan Thompson each had 13 point games and Eric Holdner picked up 12.

The Gators had won the chance to play for the tournament trophy with a victory over the Benjamin Buccaneers Thursday night.

The Gators jumped to an early lead, taking the first period 13-16.

The Buccaneers came back and led at the half, 32-25.

It was the third period that won the game for the Gators.

"They (the Bucs) came on," said Schmidt. "They were cold and Scott scored eight points in that period. Ralph (Raul) Garcia scored six."

At the end of the third, the Gators were ahead 45-36, having held the Bucs to just four points that period.

From that point on, the Gators merely kept pace with their opponents and finished the game ahead, 59-49.

Meredith had a 24 point game, followed by Garcia's 14. Jorge Rodriguez and David Lakatos each hit the bucket for nine points and Andy Fontaine scored three.

Rodriguez snagged nine rebounds and Lakatos picked up eight.

The Gators have shot 45 for 143 from the floor for a 315 percentage in their first two games.

Raiders place third in tournament

LAKE WORTH - The Glades Central Raiders boys basketball team finished third in the Home Federal Holiday Basketball Classic held at Palm Beach Junior College Dec. 15 through 19.

The Raiders, 7-1 for the season, cruised through the consolation game, as the Raiders built a 36-18 halftime lead, en route to a 58-50 win over Hialeah American. The Miami team dropped its second straight decision after a 3-0 start.

Sophomore Rhondy Weston, a center for the Raiders, hit the net for 18 points and 12 rebounds.

Going into the tournament the Raiders were ranked number one in the Class 3-A sports writers poll.

The Raiders, coached by George Mattes, received \$800 for the participation in the tournament.

The tournament was won by Twin Lakes High School who defeated the Martin County Tigers. The Tigers were ranked the number one 4-A team going into the tournament. Twin Lakes defeated the Tigers by a score of 65-56.

The Rams also handed Glades Central their only defeat of the tournament by a score of 67-52 on Friday evening.

Glades Central's Edwin Haynes was named to the all tournament team along with Erick Wilson, the tournament Most Valuable Player.

The Raiders got good county wide exposure as the consolation and tournament games were televised live by Channel 12.

The Raiders will participate in the Boca Raton Christmas Tournament Dec. 26 through 30 and will re-start regular season play Jan. 5 with a home game against the Pahokee High Blue Devils.

Crusaders drop to 3-4

By JEFF BROWN

BELLE GLADE - If the game was horsehoes, the Christian Day Crusaders would be invincible. The Clewiston Tigers beat the Crusaders 60-58 in overtime Tuesday, December 15.

Two days later, Moore Haven beat the Crusaders for the second time this season, 55-45.

Both games were close. All but one of the Crusaders four losses this season.

Moore Haven beat them 64-60 a week earlier.

The Pahokee Blue Devils downed the Crusaders in the opening game of the season, 52-77.

When they lose, it usually is close. When they win, it's a rout.

Jupiter Christian fell 71-24. The Crusaders romped over Summit 77-30.

Friday night, it was Benjamin's turn. Both teams travelled to the Glades Day Christmas tournament only to lose opening rounds - the Benjamin Bucs to Glades Day and Belle Glade Christian to Moore Haven.

Those losses pitted the two against one another in the consolation game.

When it was over, the Crusaders had salvaged a victory out of the two day tournament by taking the Bucs 82-60.

The victory upped their record to 3-4. "We just played sloppy ball against Moore Haven," said Crusader coach Woody Salvatori.

"Both teams just played sloppy. I asked them (the Crusaders) to come out and play team ball tonight and they did. No one was hogging the ball, we played good ball. Team play did it."

Scott Hudson had a 27 point game and recovered 12 rebounds to lead the team in both categories that night.

Three others reached double figures on the night: Alex Morales scored 12, Tavi Garcia 14 and Luis Garcia 15. Cary McKee scored six points and Tracy Shelly and Roly Ramos each had four point games.

Luis Garcia recovered six rebounds and McKee snagged five.

Morales gathered two and Ramos recovered three.

Earlier that week, the Crusaders had a chance to pull out a close one over Clewiston, and lost in the final four seconds of overtime.

The Crusaders ran the score up to 58-57 with four seconds left when a Crusader foul gave the Tigers the chance to win it from the foul line.

The first foul shot was good, tying the game at 58. The second free throw missed, giving the Crusaders a chance to tack on another period if they had recovered the rebound, or prevented the Tigers from sinking another basket.

The Tigers recovered, however, and put the ball through the hoop as the buzzer sounded.

The basket gave Clewiston a 60-58 victory over the Crusaders.

Luis Garcia led the team with his 17 point game against the Tigers. He was followed by Alex Morales' 11 point performance and Scott Hudson's ten point game.

Tavi Garcia just missed double figures with a nine point game and Cary McKee fell short with eight points.

Roly Ramos scored three points.

Luis Garcia also led the team with 17 rebounds. Hudson snagged eight, Morales seven, McKee four, Tavi Garcia three and Ramos two.

Two nights later, Moore Haven won despite Luis Garcia's 16 point game and Hudson's 13 rebounds.

Hudson came in a distant second in the scoring column - picking eight points. Six points a piece were picked up by Tracy Shelly and Morales. Three points belonged to Tavi Garcia and two point performances were put in by Ramos, Robert Echols and McKee.

Tigers pounded 24-0

By JIM JONES

Clewiston's magnificent 1981 football season came to an end Friday, Dec. 18, with a 24-0 loss to Crawfordville-Wakulla in the state championship football game.

Though the score was one-sided, the rest of the game statistics were not.

"It could have gone either way there at one time," said Crawfordville-Wakulla Coach John David Jones, fresh from a champagne dousing from one of his players after the game.

At the start of the playoffs, Jones said that he knew that Clewiston and Monticello would be the main teams standing in the way of a second straight Class AA title for the senior-dominated War Eagles.

Clewiston, a team loaded with sophomore and junior talent which finished the year with a 12-2 record, fought the far larger War Eagles on even terms throughout most of the

contest. The game was played before more than 3,000 fans, most ever to see a football game at Cane Field.

Critical errors hurt the Tigers and the breaks were with the War Eagles. Final game statistics showed that both teams had earned 13 first downs and that Clewiston had out-rushed the War Eagles 134 to 114 yards. The big difference was in the passing game, where the War Eagles had a 196 to 84 yard advantage.

"Wakulla was an excellent football team," Coach Al Morrell said. "They made some plays that I don't believe they have made all year. They weren't a team that we couldn't have beaten."

Morrell said that Clewiston mistakes gave Wakulla the opportunity to win the game. "We were a good football team that didn't play like one. I felt that it could have gone either way," he said.

Regardless of how well Clewiston

had played, Morrell said he believed Wakulla would have scored at least once and called the War Eagles the best team faced by the Tigers this year.

Clewiston was also a fine team in 1981. "You have to be very, very good to win as many as we did. Either we didn't make mistakes or we overcame them," he said.

Clewiston opened Friday night's title game against Wakulla much as it had against Dunnellon: like it was going to run the opposition off the field.

Willie Benson returned the opening kickoff to the Clewiston 30 yard line. On the second and third plays from scrimmage, Sammy White and Gerald Johnson, respectively, ran for 15 and 10 yards as the Tigers boomed to mid-field.

Three plays later, quarterback Robert Holmes passed nine yards to wide receiver Melvin Williams at the Wakulla 38 to give the Tigers

another first down.

Following fullback Ricardo Finckley's three yard run to the 35, Clewiston turned to the air game. A second down pass fell incomplete and on third down, quarterback Pete Walker was sacked at the 44. On fourth down, Walker punted into the Wakulla end zone.

Taking over at its own 20, Wakulla was stopped on first down after a gain of one by the tackling of defensive back Hal White and linebacker Ralph Brockinton.

Two plays later, 201-pound senior running back John Metcalf ran two yards for Wakulla's initial first down of the game.

Strong-armed junior quarterback Mike Smith then went to the air for the first time and connected with a 5 foot 8 senior wide receiver Jeff Posey for 20 yards and another first down at the Clewiston 44. Wakulla's offense broke down on the next three

Except for the team's poor shooting record, Schmidt said he is pleased with the team so far.

"They played a good first half," he said after the game. "Moore Haven has played nine games this season. They're sharper. I don't have any complaints."

"I was pleased that physically we hung in there pretty good," he said. "I wasn't totally distressed. Shooting, we went flat as heck."

Raul Garcia is leading the team with 30 points on the season. He is followed by Meredith, whose 24 point game comprises his scoring to date. Rodriguez is the team's third leading scorer with 18, followed by Lakatos with 17, Fontaine with 12 and Toledo with two.

to the War Eagles with 1-48 left in the first quarter at the Wakulla 46.

With a third down and seven, Smith passed for an apparent touchdown, but a clipping penalty brought the ball back to the 46 yard line and it seemed Clewiston would once again stop the War Eagles.

But back to back 15-yard penalties (face mask and personal foul) against Clewiston gave Wakulla the ball on the Tiger 31 yard line.

With six seconds left in the first quarter, Wakulla halfback Gerald Donaldson sprinted 31 yards for the game's first score. Parrish Barwick kicked the extra point.

The second quarter began for Clewiston like the first quarter had ended. Unable to gain a first down after fielding the kickoff at the 35, Clewiston went into punt formation. The snap from center sailed over punter Pete Walker's head and Walker fell on the ball at the 22, where Wakulla took over.

Wakulla needed only two plays to score with Smith passing 13 yards to Rouse Pigott with 9:22 left in the first half.

Although down 14-0, Clewiston came back near the end of the first half with one of its strongest scoring threats.

Marvin Dixon had returned a Wakulla punt to the War Eagle 35 yard line, but a roughing the kicker penalty had returned the ball to the War Eagles at midfield.

On first down, Wakulla moved to the Clewiston 43, where tackle Randy Dixon recovered a fumble for Clewiston.

After running for short yardage, quarterback Pete Walker passed 20 yards to Melvin Williams at the 14 yard line. With time running out in the first half, Clewiston attempted a 31 yard field goal, but the kick was blocked.

plays, bringing up a punt to the Clewiston 10 yard line.

Once again the Tigers showed that they could move the football against a defense which had recorded nine shutouts going into the game.

On first down, fullback Sammy White smashed through tacklers for a gain of eight yards. Two plays later, White's power running moved the Tigers to their own 23.

Staying on the ground with the exception of one pass, Clewiston pushed its way to the Wakulla 43 in seven plays before Holmes fumbled

Neither team was able to score in the third quarter.

Clewiston started the fourth quarter with another strong drive, carrying from the Tiger 10 to the War Eagle 41. The big play during the drive was Sammy White's 30 yard run to the Clewiston 40.

After stopping Clewiston on fourth down, Wakulla moved 54 yards to the Clewiston four, but was set back to the 12 on Randy Dixon's tackle of Smith. Wakulla had to settle for a 28 yard Barwick field goal with 7:45 left in the game.

A few minutes later, however, Wakulla had the ball again and moved in for the War Eagles' final score of the game. Smith passed 22 yards to 6 foot 8, 220 pound tight end Edgar Pigott for the touchdown, with 1:17 left in the game.

With less than one minute left in the game, Clewiston moved down to the Wakulla 14 yard line before losing its last scoring opportunity on an interception with 18 seconds left. Gerald Johnson had passed 18 yards to Holmes to give the Tigers one of their strongest attacks of the evening.

On the evening, senior fullback Sammy White had led Clewiston rushers with 91 yards in 14 carries. Junior fullback Ricardo Finkley had 36 yards in seven rushes, Gerald Johnson 12 yards in nine rushes, Melvin Williams 13 yards in one rush, and Hal White four yards in one rush.

Defensively, linebacker Willie Benson led Clewiston with eight tackles, while tackle Wycliffe Lovelace had six defensive end John Reid had five, and Ralph Brockington and Hal White had four each.

EVERGLADES PRESBYTERIAN CHURCH

Tomorrow is Christmas, the day celebrated to mark the birth of Jesus Christ. Yet now, more than 1981 years after the event, we have gotten so involved in preparations that we haven't time for the real meaning.

For weeks and even months the frantic preparation has gone on. Mothers have bought gifts for children. Fathers have purchased gifts for children to give to mother. Parents have secured trees to be decorated.

Every merchandising firm has prepared for this season since last spring. Many churches, ministers, and choir directors have planned events for Advent and Christmas Eve and even Christmas Day.

Christmas cards began to arrive in late November to cause the less organized to hurry to buy stamps and cards. Packages have been taken to the post office since early December to insure delivery to faraway states.

The Christmas season is a good time to give parties to pay back all the obligations stored up throughout the year. So the round of parties has begun in earnest and will continue through New Year's Day.

It is not only the season to be jolly, but it is the season of beautiful music. Concert music of the masters rings from every choir loft and organ as well as from records and tapes from home stereos.

In between time, and with hardly time for getting our breath, we visit the church of our choice or inclination. We are reminded of the Divine Peace Invasion of the Child of Bethlehem. We have received the renewed message among thoughts of plans to be with family and friends. The angelic music is fitting for our anxious thoughts of having everything ready for the coming of Mom and Dad or Aunt Jane or Jim or Bill and Sally.

History has a way of juggling concepts and blending different facets together. We have combined the Birth of Christ and the announcement to the shepherds with the giving of gifts by the

Wise Men to the new-born King.

Some Christian cultures separate the celebration of the Prince of Peace's birthday and the Epiphany manifestation of Christ to the world (the coming of the Wise Men). These are two distinct and separate events. However, through the years, with the benevolent churchman of Asia Minor, Saint Nicholas, and the imagination of myth, these two events have almost become one. Nothing will probably change the co-mingling. So let us remember the reason for both happenings.

Tomorrow, therefore, let us take time to remember the real gift. This gift of God, to the world is for those who have nothing and those who have everything. God's precious package to us is the gift of forgiveness so that the life we live may be full, abundant and satisfying to the point we want to share with one and all. God bless you everyone!

Mass services planned

BELLE GLADE—The parish of St. Philip Benizi Catholic Church will hold special Christmas services in Belle Glade and Pahokee.

A midnight mass will be held Thursday, Dec. 24. The mass will be preceded by singing of carols at 11:30.

Masses on Christmas Day will be held at 8 a.m., 10:30 a.m., and noon.

In Pahokee, a mass will be held at 10 p.m. on Christmas Eve and in South Bay, there will also be a mass at 10 p.m.

Rev. Harris to speak

BELLE GLADE—The Rev. Clarence Harris of Belle Glade will be the speaker for the Christmas morning service at 8 a.m. at the New Bethel Missionary Baptist Church.

Rev. Harris is presently attending Lee College in Cleveland, Tenn. where he is majoring in business and a minor in Pastoral Studies. He is an associate affiliate minister at Pleasant Grove Baptist Church where the Rev. Edward R. Robinson is the pastor.

Rev. Harris is also a member of the Evangelistic Singers in Cleveland. The group has just released their first album, "In the Spirit of Love."

The Rev. R.F. Hairston III is the pastor of the New Bethel Missionary Baptist Church and invites the public to come to the Christmas Services.

Lake Shore Elementary School faculty exchange Christmas gifts and gathered for a special pre-Christmas luncheon at the school on Thursday. Members of the special committee planning the luncheon

were from left to right, Mrs. Mary Rogers Bell, Mrs. Anna Little, Mrs. Barbara Case, assistant principal; Mrs. Joan Finney and Mr. E.H. Fitzgerald, principal.

Garden Club gathers for Christs party

The Belle Glade Garden Club held their December meeting in the Harvest Room of the Holiday Inn for a Christmas dinner in a beautiful and festive traditional setting of Christmas decorated by Ms. Jeannette Kelley who was in attendance for the occasion. Mrs. Adele Zwickly, club president, presided at the meeting and dinner. Mrs. Wilma Warren gave the invocation.

Announcement was made that the trip planned for December to Winter Haven, head-

quarters of Federated Garden Clubs, and Welkiva Camp Grounds, be postponed until a later date. The Christmas lighting contest for City of Belle Glade will be judged by members of the Belle Glade Garden Clubs and Beautification committees.

The drawing of a quilt, handmade and quilted by members of the club, will be held at the February meeting and Valentine party. Members of clubs to be invited are from Pahokee, Clewiston,

Canal Point, Belle Glade, Chosen, Belle Glade Garden Study, and Moore Haven, which is in District 9. This meeting will be held February 11, 1982.

Visitors were Mrs. Frances Nelms, Mrs. Janice Gorforth, Mrs. Verla Connor and Miss Susie Alford.

Highlight of the evening was when Santa appeared (Susie Alford) and delivered gifts to all from underneath a beautiful-

ly decorated and lighted Christmas Tree. Susie has traditionally been Santa for the club for several years.

The next meeting in January will be held at the home of Mrs. Exuber Buss.

Christmas Blessings To All...

LIFE: God's Greatest Gift

Babies are really divine. They're life-giving gifts. Babies remind us that... while some lives end every day... new ones will begin.

As the years slip away, we sometimes tend to forget how truly precious life is and what a miracle each truly is.

To be sure, to be a parent is no certain guarantee of happiness. But all we really have to do is love. This truth should inspire each of us to have these words about every morning upon awakening: "This is the day which the Lord hath made. I will praise and be glad in it."

Every day of your life is a gift from God. Use it well, and contribute the work in spirit of thankfulness and praise.

The perfect holiday cake

Ever feel like running an ad for a different kind of holiday cake? Here's one that will answer that request: a cake that's spiced with four different spices with emulsions of ginger, molasses, orange rind and nuta add extra festive notes.

Bake the cake in a ring mold rather than a traditional cake pan, then serve it centered with a fluffy combination of whipped cream, marshmallows and orange segments.

Grease and flour only the bottom, not the sides, of the ring mold or pan in which Orange-Ginger Cake is baked. Leaving the sides ungreased will give the cake a non-slick surface to which to cling, thus giving better volume.

The mixing method for this cake also departs from the traditional one.

Grease and Flour a 1½-quart ring mold or an 8½-inch baking pan. Sift flour, baking powder, salt, cinnamon, ginger, cloves, allspice and nutmeg. Mix lard, molasses and sugar. Add egg and beat well. Add sifted ingredients and stir only until moistened. Dissolve soda in boiling water and immediately add to batter. Beat for 1½ minutes. Stir in orange rind and nuts. Pour mixture into baking pan. Bake in a slow oven (225 Degrees F.) 25 to 30 minutes. 6 servings.

WHIPPED CREAM TOPPING
2 oranges
8 marshmallows
¼ pint whipping cream
Peel and section oranges. Cut each section in half. Cut marshmallows into quarters. Whip cream until stiff. Fold in marshmallows and orange sections. Spoon into center of ginger cake mold or serve on top of squares. Yield: 8 to 9 servings.

Oriented Towards Elegance

The ancient Chinese concept of preparing foods by stir-frying is gaining in popularity here. Try this recipe for Beef Teriyaki accompanied by flavorful Fried Rice.

BEEF TERIYAKI

1 1/2 pounds boneless beef round steak
1/2 teaspoon garlic powder
1/2 teaspoon ground ginger
1/2 teaspoon powdered mustard
2/3 cup pineapple syrup (drained from canned pine-
apple) or pineapple juice
2 tablespoons soy sauce
Dash Tabasco pepper sauce
1 teaspoon cornstarch
Vegetable oil
Fried Rice (recipe below)

Partially freeze beef. Cut into thin strips about 1/8-inch
thick. Combine seasonings, pineapple syrup, soy sauce,
and Tabasco. Pour over meat. Cover and refrigerate several
hours or overnight. Drain and reserve marinade. Dissolve
cornstarch in 1/4 cup of the marinade. Bring remaining
marinade to a boil in a small saucepan. Stir in cornstarch

mixture. Cook, stirring, 2 to 3 minutes, or until
thickened. Keep warm. In a wok or large skillet stir-fry
half of beef in small amount of oil over high heat just
until lightly browned (about 1 minute). Do not overcook
or meat will be tough. Repeat, with remaining meat.
Combine with sauce. Serve over beds of Fried Rice. Makes
6 servings.

FRIED RICE

3/4 cup chopped onions
1/2 cup chopped green pepper
1 tablespoon vegetable oil
1/4 teaspoon garlic powder
3 cups cold cooked rice
1 egg, beaten
2 tablespoons soy sauce

Cook onions and green pepper in oil until soft but not
brown. Add garlic powder and rice. Heat thoroughly. Add
egg and soy sauce. Cook, stirring, 2 to 3 minutes, or until
egg is firm. Makes 6 servings.

Carving tips simplify holiday meals

Carving the turkey need not be the ruin of your holiday meal celebration, according to Chef Hans Aeschbacher of Lawry's The Prime Rib restaurant in Chicago.

"Whether you serve turkey or prime rib," says Chef Hans, "if you prepare the meat properly and use a few easy-to-learn carving tips, your holiday meal will be the celebration it is meant to be," assures Hans.

Trained at Gwerbeschule, a gourmet cooking institute in Biel, Switzerland, Chef Hans has become a master carver. In addition to his duties as chef, he currently teaches cooking and carving classes at Lawry's The Prime Rib where roast prime ribs of beef have been carved tableside from rolling carts for more than seven years in Chicago and for 43 years in Beverly Hills, California.

Before you begin carving, Chef Hans offers these tips on preparation—tips which will make the actual carving easier:

● Fresh turkeys are best, but frozen ones are easier to find. Defrost the turkey in the refrigerator for two days. Season with butter, seasoned salt and pepper and baste with pan juices during roasting. Should the turkey brown too quickly, cover with a foil tent.

● A 15-pound turkey should cook 4½ hours at 325° F. Overcooked turkeys are nearly impossible to carve, so check yours by lifting up from under the wing—if the juices run clear, it's done.

● Cooked turkeys should stand five to 15 minutes before carving to give the juices time to settle and cool.

● You need a broadside knife to cut through hard joints, and a long meat fork. Each tool must be sharp.

"You now're ready to begin the actual carving," First, remove the drumstick and thigh by cutting straight down between the thigh and body (photo #1). Push leg outward, and use the boning knife to cut the exposed joint between the thigh and backbone.

Second, slice the breast

meat with long, smooth strokes. "Don't saw the meat," says Chef Hans, "You should carve as if you are playing the violin" (photo #2). A horizontal cut deep into the breast helps release slices at the base.

Remove the wing by pressing down on the wing tip, and then using the boning knife to sever the exposed joint by cutting toward the backbone. Wings can be saved for stock-pot or soup, or divided for serving.

Next, slice the dark meat by first cutting the joint which connects the drumstick and thigh. Holding the drumstick

with a napkin, tilt slightly and slice down toward the plate all around the leg. Use the meat fork to hold the thigh firmly on the plate and slice the meat parallel to the bone.

If you are a slow carver, Lawry's master carver recommends placing the sliced meat on a warming tray and covering it with a warm towel. This will keep the meat warm and moist until you're ready to serve.

For prime ribs of beef, Chef Hans suggests cooking the roast 20-25 minutes per pound at 350° or until a meat thermometer reaches 140. Like turkey, the cooked roast

should stand five to 15 minutes before carving. To make carving easier, first remove the rib bones. Stand the roast on the ribs pointing up and carve between the bones and meat, separating the rib bones in a strip (photo #3).

Now place the roast on the side from which the ribs have been removed and slice (photo #4). "Remember," says Hans, "the wrist guides the blade, but the knife does the work."

If you follow these techniques," says Chef Hans, "your holiday meal will be a pleasure—not a chore."

The perfect holiday cake

Ever feel like running an ad for a different kind of holiday cake? Here's one that will answer that request: a cake that's spiced with four different spices with emphasis on ginger. Molasses, orange rind and nuts add extra festive notes.

Bake the cake in a ring mold rather than a traditional cake pan, then serve it centered with a fluffy combination of whipped cream, marshmallows and orange segments.

Grease and flour only the bottom, not the sides, of the ring mold or pan in which Orange-Ginger Cake is baked. Leaving the sides ungreased will give the cake a non-slick surface to which to cling, thus giving better volume.

The mixing method for this cake also departs from the traditional one.

Grease and Flour a 1 1/2-quart ring mold or an 8 1/2-inch baking pan. Sift flour, baking powder, salt, cinnamon, ginger, cloves, allspice and nutmeg. Mix lard, molasses and sugar. Add egg and beat well. Add sifted ingredients and stir only until moistened. Dissolve soda in boiling water and immediately add to batter. Beat for 1/2 minute. Stir in orange rind and nuts. Pour mixture into baking pan. Bake in a slow oven (325 Degrees F.) 25 to 30 minutes.

WHIPPED CREAM TOPPING

2 oranges
8 marshmallows
1/2 pint whipping cream
Peel and section oranges. Cut each section in half. Cut marshmallows into quarters. Whip cream until stiff. Fold in marshmallows and orange sections. Spoon into center of ginger cake mold or serve on top of squares. Yield: 8 to 9 servings.

GO GOURMET!

Every holiday get-together—small or large—calls for one fabulous gourmet hors d'oeuvre. And, Swiss Mushroom "Pâté" is just that.

Delicately flavored fresh mushrooms are sautéed with onions and then combined with butter or margarine and Swiss cheese, seasonings and Dromedary pimientos. Chilled in a bowl until firm, the result is a uniquely delicious spread for Triscuit wafers and Sociables crackers that will have your guests clamoring for more. And, it's so Christmas looking topped with colorful Dromedary pimiento stars.

Holiday entertaining is fun. Capture the spirit of the season with this festive Swiss Mushroom "Pâté."

SWISS MUSHROOM PATE

- 1/2 cup butter or margarine
- 1 pound fresh mushrooms, finely chopped
- 1/2 cup chopped onion
- 8 ounces Swiss cheese, finely grated (about 2 cups)
- 1/2 teaspoon seasoned salt
- 1/8 teaspoon ground black pepper
- 3 tablespoons dry sherry
- 1/4 cup milk
- 1 (4-ounce) jar Dromedary pimiento pieces, drained
- 3 tablespoons chopped

parley
Parley sprigs
Triscuit wafers
Sociables crackers

1. In large saucepan, over medium heat, melt 1/4 cup butter or margarine; sauté mushrooms and onion until liquid evaporates; cool to room temperature.

2. In medium bowl, with electric mixer at medium speed, beat remaining 1/4

cup butter or margarine until light and fluffy; add Swiss cheese, salt, pepper and sherry; beat 2 minutes. Gradually beat in milk until blended; beat in mushroom mixture.

3. Using canape cutter or knife, cut 8 small stars from Dromedary pimiento pieces; set aside. Dice remaining pimientos; stir into mushroom mixture with chopped parley. Spoon into 3-cup bowl lined with aluminum foil or plastic wrap; cover and chill 3 hours or overnight.

Crispy Coating For Chicken, Fish

Few dishes are as popular with Americans as fried seafood—except fried chicken. Try this quick and delicious recipe for a batter coating with a different touch.

CHAMPALE SEAFOOD AND POULTRY BATTER

- 1 cup flour
- 1 teaspoon each, salt, white pepper
- 1 teaspoon sugar
- 2 teaspoons paprika
- 2 cups Sparkling Extra Dry Champagne

Combine all ingredients in a bowl and beat with a whisk until smooth. Dip pieces of fish or poultry into batter and deep fry in hot oil until golden brown and crisp. This recipe makes enough batter for six to eight servings.

For a full selection of Chef DeCuir's recipes, send a self-addressed, stamped envelope to: Recipes, P.O. Box "A" Carle Place, N.Y. 11514

4. To Serve: Invert onto serving platter; peel off foil or plastic wrap. Place pimiento stars in circle around top; place parley sprigs around bottom. Serve with Triscuit wafers and Sociables crackers. Makes 3 cups.

Oriented Towards Elegance

The ancient Chinese concept of preparing foods by stir-frying is gaining in popularity here. Try this recipe for Beef Teriyaki accompanied by flavorful Fried Rice.

BEEF TERIYAKI

- 1-1/2 pounds boneless beef round steak
- 1/2 teaspoon garlic powder
- 1/2 teaspoon ground ginger
- 1/2 teaspoon powdered mustard
- 2/3 cup pineapple syrup (drained from canned pineapple) or pineapple juice
- 2 tablespoons soy sauce
- Dash Tabasco pepper sauce
- 1 teaspoon cornstarch
- Vegetable oil

Fried Rice (recipe below)

Partially freeze beef. Cut into thin strips about 1/8-inch thick. Combine seasonings, pineapple syrup, soy sauce, and Tabasco. Pour over meat. Cover and refrigerate several hours or overnight. Drain and reserve marinade. Dissolve cornstarch in 1/4 cup of the marinade. Bring remaining marinade to a boil in a small saucepan. Stir in cornstarch

mixture. Cook, stirring, 2 to 3 minutes, or until thickened. Keep warm. In a wok or large skillet stir-fry half of beef in small amount of oil over high heat just until lightly browned (about 1 minute). Do not overcook or meat will be tough. Repeat with remaining meat. Combine with sauce. Serve over beds of Fried Rice. Makes 6 servings.

FRIED RICE

- 3/4 cup chopped onions
- 1/2 cup chopped green pepper
- 1 tablespoon vegetable oil
- 1/4 teaspoon garlic powder
- 3 cups cold cooked rice
- 1 egg, beaten
- 2 tablespoons soy sauce

Cook onions and green pepper in oil until soft but not brown. Add garlic powder and rice. Heat thoroughly. Add egg and soy sauce. Cook, stirring, 2 to 3 minutes, or until egg is firm. Makes 6 servings.

Holy Night

A gracious "Thank You" to all of our fine friends who have patronized us this past year. We hope that you will have a happy holiday season.

Carving tips simplify holiday meals

Carving the turkey need not be the ruin of your holiday meal celebration, according to Chef Hans Aeschbacher of Lawry's The Prime Rib restaurant in Chicago.

"Whether you serve turkey or prime rib," says Chef Hans, "if you prepare the meat properly and use a few easy-to-learn carving tips, your holiday meal will be the celebration it is meant to be, assures Hans.

Trained at Gowerbeshule, a gourmet cooking institute, Biel, Switzerland, Chef Hans has become a master carver. In addition to his duties as chef, he currently teaches cooking and carving classes at Lawry's The Prime Rib, where roast prime ribs of beef have been carved tableside from rolling carts for more than seven years in Chicago and for 43 years in Beverly Hills, California.

Before you begin carving, Chef Hans offers these tips on preparation—tips which will make the actual carving easier:

- Fresh turkeys are best, but frozen ones are easier to find. Defrost the turkey in the refrigerator for two days. Season with butter, seasoned salt and pepper and baste with pan juices during roasting. Should the turkey brown too quickly, cover with a foil tent.
- A 15-pound turkey should cook 4 1/2 hours at 325° F. Overcooked turkeys are nearly impossible to carve, so check yours by lifting up from under the wing—if the juices run clear, it's done.
- Cooked turkeys should be carved five to 15 minutes before serving to give the juices time to settle and cool.
- You'll need a broadblade knife to cut the meat, a boning knife to cut through hard joints, and a long meat fork. Each tool must be sharp.

Now you're ready to begin the actual carving.

First, remove the drumstick and thigh by cutting straight down between the thigh and wing (photo #1). Push the leg outward, and use the boning knife to cut the exposed joint between the thigh and backbone.

Second, slice the breast

with a napkin, lift slightly and slice down toward the plate and around the leg. Use the meat fork to hold the thigh firmly on the plate and cut the meat parallel to the bone.

If you are a slow carver, Lawry's master carver recommends placing the sliced meat on a warming tray and covering it with a warm towel. This will keep the meat warm and moist until you're ready to serve.

For prime ribs of beef, Chef Hans suggests cooking the roast 20-25 minutes per pound at 350° F or until a meat thermometer reaches 140°. Like turkey, the cooked roast

should stand five to 15 minutes before carving.

To make carving easier, first remove the rib bones. Stand the roast with the ribs pointing up and carve between the bones and meat, separating the rib bones in a strip (photo #3).

Now place the roast on the side from which the ribs have been removed and slice (photo #4). "Remember," says Hans, "the wrist guides the blade, but the knife does the work."

"If you follow these techniques," says Chef Hans, "your holiday meal will be a pleasure—not a chore."

May the bright adornments of this meaningful season enhance the Spirit of your Christmas. Warm thanks

Recipe for Cinnamon Apple Dumplings

An old-fashioned oven dessert provides a welcome finale to dinner. With apples in season, it's timely to prepare a baked fruit dumpling to serve with a pretty pink sauce.

Biscuit-type dough is rolled one-eighth inch thick and cut into five-inch squares to enclose baking apples. The dough will be tender and

flaky when made with lard. Apple dumplings are really glorified baked apples since they're made with sliced apples, wrapped in a biscuit blanket. Select apples that bake well. Among these are Baldwin, Early Harvest, McIntosh, Roma Beauty, Northern Spy and Winesap varieties.

When drawing the biscuit

square up to cover the apple, make certain the dough is large enough to cover the fruit with stretching. Prick the top surface of the dough just as you would an apple pie so steam can escape.

Red cinnamon candies add color and spice to both apples and accompanying sauce. The warm dumplings, topped with sauce provide one of the most heart warming desserts of the season.

CINNAMON APPLE DUMPLINGS

3 c. sifted flour

4 1/2 tsp. baking powder

1 tsp. salt

6 to 8 tsp. lard
1/2 to 1 c. milk
3 to 6 large apples,
peeled and sliced
1 1/2 red cinnamon candies
1/4 c. sugar
3 T. butter or margarine
5 Tt. together flour, baking

powder and salt. Cut in lard until mixture has fine even crumbs. Add enough milk to make a soft dough. Knead 20 seconds. Roll to 1/8 inch thickness. Cut into 5 inch squares. Combine apples with cinnamon candies and sugar. Fill centers of biscuit squares

with apple mixture. Dot with butter or margarine. Draw up the corners of the dough to completely cover the apples. Press edges to seal. Place on greased shallow baking pan and prick the top surface of dumplings. Bake in a moderate oven (375 deg. F.) 35 to 40 minutes. Yield: 8 dumplings.

CINNAMON SAUCE FOR APPLE DUMPLINGS

1 c. sugar
1 T. cornstarch
2 c. water
3 T. butter or margarine
3 T. red cinnamon candies

Mix sugar and cornstarch. Add water, butter and cinnamon candies. Stir well.

Cook, stirring constantly until slightly thickened, about 20 minutes.

Turkey In The Straw

Have you been curious about the "new-old" clay pot cookery method? The old principle of wrapping meat in wet clay to be cooked on the hot coals has been replaced with a new updated clay pot.

Why does the clay pot cook so successfully? Before placing any ingredients in the pot, the top and bottom are soaked in water for 10 to 15 minutes. In the oven, the pot slowly releases the moisture in the form of steam. This moisture in a pot that doesn't have to be watched, cooks quickly, makes meat extremely tender, requires no added fats or oils and does a superb job of blending flavors during the cooking process.

Whether you are cooking for the harvest hands in the fields or anxious to draw the fragrance and flavors of fall into your city kitchen, this combination of turkey and vegetables in a clay pot will do the job.

From the abundance of fresh turkey parts we are seeing in the "fresh meat" counter of the supermarkets each day, this tasty recipe calls for turkey wings and thighs. As you have no doubt heard, turkey has not only been on the list of plentiful and best buy foods this year, but it provides the high protein, low calorie and cholesterol requirements that discerning meal planners are looking for.

You may be a novice at cooking and wish to follow the recipe exactly — fine! If you are an old hand at cooking, this is a recipe you can easily add or substitute fresh turnips, zucchini or whole tomatoes for any of the vegetables listed. Combining fresh turkey parts and the adventure of clay cookery will have family or friends looking forward to good eating.

Turkey Harvest Bounty
8 medium potatoes, unpeeled, washed and halved

Combine Turkey Harvest Bounty with whole grain bread and get ready for a wholesome, satisfying supper.

8 small boiling onions, sliced
2 large onions, sliced
6 medium carrots, cut in 2-inch pieces
3 stalks celery, sliced
1/4 pound sliced mushrooms
1/2 cup green peas
4 turkey wings & 2 turkey thighs (about 4 lbs.)
1 tablespoon fresh chopped parsley
1/2 teaspoon pepper
1/2 teaspoon salt
1/4 teaspoon thyme
1 cup white wine (turkey or chicken broth may be substituted)
1 tablespoon flour (optional)

Soak clay cooker in water according to manufacturer's directions. Prepare vegetables and place in clay cooker. Arrange turkey wings and thighs on top of vegetables. Sprinkle parsley, pepper, salt and thyme over turkey parts. Add white wine. Cover and place in center of cold oven. Don't preheat. Turn oven temperature to 425°F. and bake for 60 minutes. Remove lid and bake for an additional 10-15 minutes for a final browning. Accumulated liquid can be poured off and thickened with flour, if desired, before serving. Makes 8-8 servings.

(If you do not have a clay pot, place turkey wings and thighs in a Dutch oven with wine, spices and an additional 1 cup water. Simmer over low heat for 1-1/2 to 2 hours. Add vegetables and cook for an additional 30 minutes.)

FOR A TRADITIONAL FESTIVE DINNER WITHOUT THE TRADITIONAL HIGH PRICES!

Tantalizing home-baked desserts add a special "I care" flavor to holiday get-togethers. Yet, for the first time pie maker the holiday season can add an extra case of the jitters. Many doubts and fears come to mind as you recall some of the horror stories

you've heard. Will my crust be flaky? How long do I bake a pumpkin pie? How do I spice it?

Perfect every time To ease your nerves and make your pumpkin pie a smashing hit for a family holiday feast or as a gift for a friend, here is a fool-proof recipe for perfectly moistening results every time.

It's a variation of Libby's Famous Pumpkin Pie recipe which features a delectable taste. It's extra easy to prepare with a no-roll pastry crust and bowl Libby's pumpkin filling.

Tasty holiday touch The spoon-on garnish of whipped topping with a holiday touch of orange liqueur or

brandy, if you so choose, can be an elegant special touch complementing the pumpkin which is rich in Vitamin A, plus lesser amounts of iron, Vitamin C and other nutrients.

This holiday home-baked pumpkin pie for enjoying at home or giving as a gift to a friend is especially prized at holiday time and bound to bring you pleasure and praise!

Just before serving garnish

1 1/2 teaspoons pumpkin pie spice
1 can (13 oz.) evaporated milk (1 1/2 cups)
Spirited Whipped Topping (optional)

Preheat oven to 425° F. Prepare pie crust mix with water according to package directions for no-roll crust. Pat into bottom and sides of 9-inch pie pan.

In bowl, combine pumpkin, sugar, eggs and spice; stir in milk.

Pour into pie crust. Bake 15 minutes.

Reduce oven temperature to 350° F; bake an additional 45 minutes or until knife inserted near center comes out clean.

with Spirited Whipped Topping
Yields about 8 servings.
Spirited Whipped Topping

Your family will gobble up these leftover turkey entrees

The three keys to holiday entertaining are good food, good company and a good looking table. Turkey has traditionally been the focus of the holiday table. And, its popularity is growing. According to Wayne Evans of the National Turkey Foundation, over 663 million pounds of turkey were consumed during last year's holiday season. That's 36 million turkeys!

One dish does double duty A good looking table is easier than it may seem. One dish which can be used for cooking in the kitchen and serving on the table is particularly helpful. Glass ovenware falls into this category.

"The beauty of our Amber Cuisine™ Entrees™," says Amy Hamilton, consumer affairs expert for Anchor Hocking Corporation, "is that they are both attractive and practical."

They are ideal for cooking, they look great on the holiday table and they can be used for storing and reheating leftovers too.

Leftover turkey recipes Here are three, easy-to-make, one-dish, leftover turkey recipes.

QUICK TURKEY CRUNCH
1 (5 ounce) can chow mein noodles
1 (8 ounce) can water chestnuts, sliced
1 medium onion
1/2 cup sliced celery
1 cup diced turkey
1 (10-1/4 ounce) can cream of mushroom soup
1/4 cup water

Spread 1/2 can on noodles on the bottom of an 8 inch square, Amber Cuisine™ Entree™, buttered cake dish. Combine other ingredients; spread mixture over noodles. Sprinkle remaining noodles over the top. Bake at 350° F. for 30-40 minutes in a conventional oven or 8-10 minutes at medium high power in a microwave oven. Serves 4-6.

EASY TURKEY LOAF
4 eggs, beaten
1/2 cup milk
1 cup soft bread crumbs
2 tablespoons chopped green pepper
2 tablespoons chopped pimiento
1 small onion, chopped

WITH 663 MILLION POUNDS OF TURKEY consumed last holiday season, you can bet there were a lot of leftovers. This year, leftover turkey recipes are made easy in Amber Cuisine™ Entrees™ from Anchor Hocking. The same dish that goes in the oven looks great on the table.

1-1/2 teaspoons parsley flakes
1/4 teaspoon poultry seasoning
2 tablespoons butter, melted
3 cups cubed turkey
1/4 cup chopped green olives (optional)
Combine all ingredients. Pour into a 1-quart Amber Cuisine™ Entree™ loaf pan. Bake at 325° F. for 45-60 minutes in a conventional oven or 12-15 minutes at medium power in a microwave oven. Serves 4-6.

TURKEY SALAD GOURMET
3 cups shredded lettuce
2 cups fresh spinach leaves
2 medium tomatoes, quartered
2 cups cubed turkey
1 cup diced celery
5 tablespoons lemon juice
2 tablespoons honey
1 teaspoon curry powder
1/2 teaspoon garlic salt
1/4 teaspoon pepper
1/2 cup sliced almonds
Arrange lettuce, spinach, and tomatoes in 2 quart Amber Cuisine™ Entree™, casserole dish. Combine other ingredients and spoon onto bed of greens. Serves 6-8.
